# Preparation Citizenship Test Kt. Aargau Program Politics

In the naturalisation  
Procedure German skills  
and the knowledge  
of social issues are being  
tested.

## Focus on a perfect preparation.

### Target group – Description

People, who would like to make the citizenship test or who are interested in learning more about Switzerland.

### Grading and Level - Premise

The grading will be made either by a personal conversation and / or a written test.  
Your level will be evaluated by a 30-minutes Grading test. The levels of the courses are according to the 6 levels of the Common European Framework of Reference for Languages (CEFR A1 - C2).

Premise Level B1

### Content

To get to know and to improve your knowledge of the most important political structures in Switzerland.

- ✓ The geography, the history, the languages, the religion, the culture and its traditions of Switzerland
- ✓ Democracy, federalism, rights and duties
- ✓ Social Security, work and health, education
- ✓ economy and law

### Learning targets

Dealing with the function of the state, the economy and society as well as the rights and duties of citizens.

### Additional time effort

For homework or repetition you should invest at least two to three hours per week at home.

### Course registration

To register, please complete the course registration form and sign it, as well as the terms of business and payment.

### Important

On the third day of the course there will be a 30-minute test to test your acquired skills. The results will be announced on the fourth day of the course. Upon reaching the course goal you will receive a certificate of the tested competences.

The course can be repeated with a 10% discount.

The certificate is an important goal that the students have in mind, to which they work and which has a motivating effect.
